PERMANENT INJUNCTION ORDER

Plaintiff Jacob Winter (“Winter”) has moved for a permanent injunction, and Defendant Leo P. Schmitz, the Director of the Illinois State Police, does not oppose entry of this order. The Court has determined that entry of this injunction is proper. Accordingly, it is ORDERED:

1. Defendant Schmitz and his successors are permanently enjoined from enforcing 730 ILCS 150-2 (E-10) against Winter in connection with his May 2017 conviction for the Michigan offense of Criminal Sexual Conduct – Fourth Degree (Michigan Penal Code §750.520e). Accordingly, Winter shall not be designated a sexual predator based on his May 2017 conviction for the Michigan offense of Criminal Sexual Conduct - Fourth Degree (Michigan Penal Code §750.520e).

2. Defendant Schmitz and his successors are directed to apply the same registration requirements to Winter that would apply to an individual convicted in May 2017 of the Illinois offense of Criminal Sexual Abuse (720 ILCS 5/11-1.50(a)), as specified in 730 ILCS 150/1(A)(1)(a), 730 ILCS 150/3, and 730 ILCS 150/7.

3. This lawsuit shall be dismissed, initially without prejudice. Plaintiff has leave to move to reopen the case and to extend the dismissal without prejudice up to and including July 1, 2019. Absent such motion, the dismissal will automatically convert to a dismissal with prejudice without further action by the Court.

So Ordered.
